

## Electricity Supply Solutions

276 St Thomas Road  
Electricity Supply Solutions  
Derby  
DE23 8SY

This is to certify that the installation service provided by the above-named organisation has been assessed as competent to self-certify that the following type(s) of building work have been installed to meet the requirements of Regulations 4 and 7 of the Building Regulations 2010:

- Installation of fixed low or extra-low voltage electrical installations in dwellings (Full Scope). (8)

The above-named organisation is subject to periodic surveillance and is licensed to use the mark of Stroma Installer Certification. This certification is subject to continuing conformity with the scheme requirements of Stroma Installer Certification and the Competent Person Scheme. This certification demonstrates competence for the defined scope as detailed above. The Certificate remains the property of Stroma Installer Certification and will be required to be returned, upon request, on cessation of certification or registration for whatever reason.

Certification Body:	<b>Stroma Installer Certification Ltd</b>
Company Reference Number:	<b>STRI 12497</b>
Initial Certification Date:	<b>01/04/2016</b>
Certificate Issue Date:	<b>05/10/2020</b>
